○ Energy & Infrastructure

Monica Colomba coordina il dipartimento di Energy & Infrastructure di Legance ed è personalmente coinvolta nelle operazioni di maggiore importanza seguite dallo Studio. Monica Colomba assiste istituti finanziari e sponsor in operazioni di finanziamento e nella strutturazione di progetti, nonché investitori in operazioni di acquisizione e di *joint venture* nel settore delle infrastrutture e delle energie. Tra i clienti che Monica Colomba assiste segnaliamo, *inter alia*, Cassa Depositi e Prestiti S.p.A., BEI e F2i.

Monica Colomba è membro del Comitato Remunerazione di Legance e si occupa inoltre dello sviluppo delle relazioni di Legance in Spagna e affianca il team incaricato di gestire tali relazioni.

È citata da numerose *legal directory*. Chambers and Partners la classifica in Band 1 nelle categorie Energy & Natural Resources e Project Finance e la descrive come segue: *"Monica Colomba proved to be crucial in the negotiation phase", "Monica Colomba has wide experience, which allows her to deeply understand our needs and propose tailor-made and creative solutions", "I have a great experience with Monica Colomba. Other than being exceptionally skilled technically, she has great problem-solving abilities as well as the ability to manage people and expectations. She is excellent", "We had a very good experience with Monica Colomba", "Monica Colomba has high technical skills, commercial capabilities and a brilliant problem-solving approach to very complex matters and situations"* (2026), *"Monica Colomba is a person of great standing within the law firm, especially when it comes to negotiations", "Monica Colomba is among the top professionals in the sector and is very client-oriented"* (2025), *"Monica Colomba is a star lawyer"* (2024), *"She has great commercial and negotiation abilities. She is always present on matters and is very proactive"* (2023), *"She is one of the top players in the market"* (2022), *"top M&A and project finance lawyer in the infrastructure space in Italy, always available and on the case", "leading in the negotiations with the counterparty and finding satisfying and innovative solutions to the most complex problems"* (2021), *"She is a leader with undisputed experience in the energy sector and her force of persuasion and*

negotiation skills are some of her main strengths in M&A and financing activities", "very precise and understands the needs of the client", "she has a solution-oriented approach and she never gives up" (2020), "very knowledgeable, pragmatic and solution-oriented", "a clever and dynamic lawyer with an "an absolutely outstanding project finance lawyer with a broad and international reach" (2015), "she provides an in-depth service and is always very flexible and adaptive" (2014), "very smart and provides high-quality advice" (2013), "a leader in project finance, praised for her client-focused approach and pragmatism", "undoubtedly one of the leading energy specialists" (2012) e riconosciuta dai clienti per "commercial nature and strength in negotiations" (2011).

The Legal 500 la menziona nella Hall of Fame nell'ambito *Banking and Finance (lender or arranger e borrower side)* e nell'Energy, citando alcuni testimonial come segue: *"Monica Colombero [...], along with her team, is a top flyers in the infrastructure sector in Italy", "In her respective field of expertise, Monica Colombero is among the professionals who know the renewable energy market in Italy best and are therefore able to provide comprehensive, high-level support", "Monica Colombero has a full and deep expertise on the market, with strong relationships with all the relevant parties that consent to a rapid view and discussion on the contracts' negotiation, meaning a quick closing of the operations" (2026), "Monica Colombero - commercial and pragmatic approach to deals", "Monica Colombero truly understands the business and her problem-solving skills are outstanding" (2025), "The team led by Monica Colombero is one of the most reputable team in the market. They are very well evaluated by operators, banks, and authorities" (2024), "Monica Colombero has great knowledge of this area and excellent interpersonal skills" "Monica Colombero is a brilliant professional, who is highly competent and client oriented" (2022), "Monica Colombero is a very solid professional, always available, reactive and flexible and above all always available for the client and the counterpart" (2021).*

IFLR1000 la cita come *Market Leader* nell'ambito del *Project Finance* e come *Woman Leader*. Inoltre nel 2021 Monica è stata menzionata nella guida *"Women in business law expert"* fra le professioniste leader in Italia nell'ambito Energy.
